"I DO"

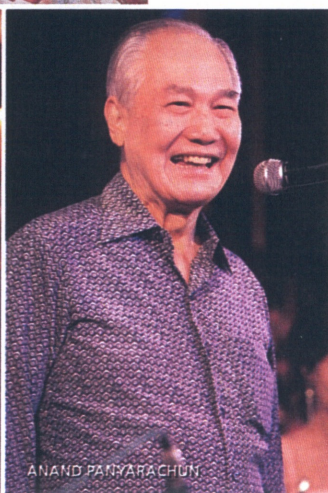

Exactly three years after their first meeting at an art exhibition at 100 Tonson Gallery, Tilleke & Gibbins International's Chairman David Lyman married his 'ideal woman', Thassaneeya Pimpila. The wedding celebration began with an intimate early morning Thai traditional wedding ceremony witnessed by family members and close friends followed by a grand celebration in the evening at the Intercontinental Bangkok, attended by more than 600 well-wishing guests.
